

A BETTER FUTURE

AUTISM OPEN DAY

24 March 2019

A BETTER FUTURE

Autism Open Day brings together the autistic/autism communities, researchers from Curtin University and Telethon Kids Institute, and local service providers.

Join us in an exchange of knowledge and experiences. The program includes presentations from autistic adults/parents to autistic adults and information on current research and programs aiming to support people with autism.

PROGRAM

An exhibition area will have stalls with information on key areas such as:

- Quality of life of adults with autism
- Medication use amongst adults with autism
- Transition to school
- Peer mentoring program for university students with autism
- Getting around the community
- Early identification and early intervention
- Diagnosis
