2.2 Research and Service Provider Exhibition Area (Seminar 3 & Dining Room)
Researchers from both the Curtin Autism Research Group and the Telethon Kids Institute will display their research in the Research Exhibition Area. Various topics of research will be covered from childhood to adulthood. In this area you can wonder around the exhibitions freely and the researchers are more than happy to share and discuss their research with you. Various Service Providers will also be on display with service provider staff there to discuss and answer questions you might have about their services.

2.3 Kids Playroom (Seminar 4)
If you are bringing your kids along, there will be a kid’s playroom available. We cannot offer you child care, you will still be responsible for your child. However, occupational therapy students will be in the room all day with plenty of toys to help keep your kids occupied.

2.4 Quiet Room (Board Room)
If you feel like you need a quiet place to take a break we have a quiet room. This is hidden away from the activities of the day with comfortable seats to relax.
